Professional Work History

Web Editor, Indiana Daily Student newspaper – Bloomington, IN

Dec – Present

Builds JavaScript interactives to contextualize daily news stories. Codes custom webpages for features and teaches HTML5 seminars for staff. Currently negotiating website redesign with Gryphon CMS.

Web Editor and Social Media Intern, The Quietus – London, England

May – Jul 2015

Pitched and delivered features on some of indie rock's most-acclaimed artists for one of experimental music's most-admired publications. Covered live shows and festivals and gained a deep knowledge of web-based journalism and enterprise.

Production Intern, WHYY-TV, "On Tour" (formerly "On Canvas") – Philadelphia, PA

Jun – Aug 2014

Researched artists, developed interview questions, scripted shows, managed social media, assisted crew with camera set-up and shot photos during filming of this Emmy Award-winning music performance program.

Additional Work History

Host, WIUX Student Radio – Bloomington, IN

Jan 2014 – Present

Hosts morning and weekend radio shows featuring local artist interviews and eclectic music for nationally acclaimed student radio organization. Co-anchors weekly news show.

Writer, Indiana Daily Student newspaper – Bloomington, IN

Oct 2013 – Present

Covers breaking science and environmental news for nationally-acclaimed student newspaper. Writes and edits pop culture essays on music and film for the weekend desk.
